

Skate the Lake + Rock the Lake

Pond Hockey Tournament + Stick Curling Pondspiel

Minnedosa, Manitoba
February 18 + 19, 2023

We would like your support as a sponsor for our 15th (*almost*) annual pond hockey tournament and 4th pondspiel—both on Minnedosa Lake.

Our total local donations from 14 years of this event are over \$120,000. The donated funds from our 2020 Skate and Rock the Lake went to Minnedosa Minor Hockey to purchase rink divider boards to facilitate ½-ice games for U7 and U9 teams as well as to the Minnedosa Community Childcare Cooperative (to support the daycare expansion project).

All proceeds from 2023 Skate and Rock the Lake will support Minnedosa Minor Hockey.

Please contact Julie Pomehichuk or Tanis Barrett to confirm your sponsorship for 2023.

2023 Sponsorship Packages

The goals of Skate the Lake + Rock the Lake:

- To promote Minnedosa as a year-round tourist destination
- To fundraise for Minnedosa Minor Hockey
- To help maintain “pond hockey” as part of our proud Canadian heritage
- To bring people together in a fun environment and promote healthy, active living

Gold Package: \$600.00

- Logo on skatethelake.ca as a gold sponsor of the event (can include website link if provided)
- Acknowledgement on our sponsor thank you lists, during and after the event
- Six social media mentions on the Skate the Lake social media channels leading up to, during and after the events.
- Will hang your large banner at the site in view of the rinks (banner to be provided by sponsor)
- One team entry into the skatethelake.ca tournament

Pic-a-Pond: \$300.00

- 2'x2' signage on one of the sheets of ice at Skate the Lake or the Rock the Lake (sign provided)
- Name listed on skatethelake.ca as a pic-a-pond sponsor
- Three social media mentions on the Skate the Lake social media channels leading up to, during and after the events.

If you have a unique idea for sponsorship to include your business or organization in the 15th Skate the Lake and 4th Rock the Lake just let us know.

Sincerely,

Julie Pomehichuk
